AGENDA

Apologies

Apologies received from 3 committee members

Discharge of actions from previous meeting.

- All outstanding actions were carried forward to the next meeting with VSM & Mainstay in attendance

Brief Chairperson Introduction

- Discussed the variety of skills we have on board the committee with the variety of people
- Does SAPRA have adequate representation from all phases on St Andrews Park?
- We briefly discussed, between all committee members, our backgrounds and specific skillsets, which include education, HR, IT and medical expertise, to name but a few.

Working Group Updates

- **Social**
 - Looking to gauge interest for a fitness or walking group?
 - This could be at lunchtime, after work, with multiple options
 - Looking at litter picking as a great socially responsible activity, perhaps with a competitive element
 - Looking to set up a specific environmental team
- **Chrysalis Application**
 - This has been approved by Chrysalis and will be happening
 - The application will be going to tender in May, with a view to be built in September and completed in October
 - This will consist of 5 items and a calisthenics bar
 - This will be positioned close to the playground in Dowding Park to enable parents/adults to exercise whilst at the same time remain close to/keep an eye on their children perhaps in the play area

Mainstay Newsletter

- Success of the Chrysalis Application
- Success of the rejection of the Telecommunications setup on Spitfire House
- Phase representation – do we have sufficient variety – we have room for new members?
- Any ideas for the area around the bunker / rifle range?

Shooting Range

- There are issues with the building – it is dilapidated but it is a locally listed building and forms part of the heritage of the park
- SAPRA would welcome ideas and would like to get in touch with the MOD, who own the building, to determine what can be done

AOB

- Bin Rooms at Hurricane House have now been fitted with a combination lock – but poor execution of this means the situation is not yet resolved

Closing

Meeting ended at 20:20.
